Dear Mr. Weisberg—

Heard your interview with Peter Gamble on WAVA radio—with interest—

I have worked in the field of patent law—for 15 years—and have had similar rude awakenings—as to how government sets into motion to twist factual matters to conform to supposed or preconceived best interests of government—I also personally had a continuing ordeal ~~the~~ with the Metropolitan Police Department—which still causes

me to shoulder — it should be
at least a chapter — in a book
if not a whole book — For a
bare idea of what was going on
see Gagne vs Bendix — 300 F2d 727
certiorari denied 359 US 70 — see the
records in Ct of Appeals 16394 & 17584
OF DC
and TRADE DOCKET FTC in trial court
then if you want to know more
give me a call evenings (703) 524-7525

Thanks —

John C. Gagne
